

Uplift Support Services

Empowering Abilities. Enriching Lives.

Last updated: July 2026

NDIS PROVIDER CAPABILITY STATEMENT

Genuine, person-centred NDIS support — built on trust, communication and follow-through.

About Uplift Support Services

Uplift Support Services is a South Australian disability support provider delivering warm, person-centred NDIS support across Adelaide and South Australia. We work alongside participants, families, support coordinators and plan managers to build flexible support that fits real life — not the other way around.
